

FAYETTE COUNTY

Covered with Barn Quilts

Fayette County's Clothesline of Quilts includes 70 blocks hung on barns, corn cribs and other structures.

The Clothesline of Quilts consists of four driving trails across Fayette County in Northeast Iowa, that highlight colorfully designed quilt blocks – most are 8-ft. by 8 ft. in size. In between each site, motorists will encounter some of Fayette County's most beautiful countryside.

Barns included in the Fayette County Barn Quilts Tour and the quilt design featured are as follows:
